Norton & Raveningham Pumping Station Replacement Project

The Waveney, Lower Yare & Lothingland Internal Drainage Board ('the Board') gives notice that it proposes to carry out improvement works to the Norton Pumping Station located near Nogdam End National Grid Reference TG40315 01140. The proposed works include the construction of a new Norton Pumping Station and the decommissioning of the existing Norton and Raveningham Pumping Stations.

The Board considers that the improvement works are not likely to have significant effects on the environment and does not intend to prepare an environmental statement in respect of them. As best practice the Board has prepared environmental reports, which can be viewed on request at the address below.

Any person wishing to make representations in relation to the likely environmental effects of the proposed improvement works should do so, in writing, to the address below within 30 days of the date of publication of this notice.
