The Board is represented on the Consortium Management Committee, which has delegated authority to take certain decisions. The Board is also represented on a number of Joint Advisory Committees, which make recommendations to the Board on various matters. Although Joint Committee meetings are not public meetings, their minutes are accessible through the Secretariat's Freedom of Information Publication Scheme, subject to the exemptions stated therein. Recommendations arising from Joint Committee meetings are also recorded in the Board's minutes (if approved), which are published on the Board's website. Click on the name of the Committee below to find out more about how it works and what it does.
