

**ANNOUNCEMENT OF INTENTION NOT TO PREPARE AN ENVIRONMENTAL
STATEMENT**

**(Regulation 5 of the Environmental Impact Assessment (Land Drainage
Improvement Works) Regulations 1999 as amended by SI 2005/1399 and SI
2006/618)**

**KING'S LYNN DRAINAGE BOARD
IMPROVEMENTS TO SMEETH LODGE DRAIN**

King's Lynn Drainage Board ('the Board') gives notice that it proposes to carry out improvement works to Smeeth Lode Drain between Subscription Bridge and Lords Bridge, near Tilney Fen End. The works are to widen the watercourse on one side only, and will involve the excavation of a maximum total land area of approximately 4,500m². The works are being undertaken to create additional storage capacity and to increase the area of habitat in this drain. It is intended to undertake the works in February-March 2012.

With reference to the above statutory instrument it should be noted that it is not proposed to carry out an environmental assessment in relation to these works. Any person who wishes to make representation to the Board in relation to the environmental effect of these proposed improvements should do so in writing to the address shown below within 28 days of the publication of this notice.

A report and plans giving further details about the proposals are available for inspection at the address specified below (please telephone for an appointment).
