**ANNOUNCEMENT OF INTENTION NOT TO PREPARE AN ENVIRONMENTAL
STATEMENT**

**Regulation 5 of the Environmental Impact Assessment (Land Drainage Improvement
Works) SI 1999 No 1783 as amended by SI 2005 No 1399 and SI 2006 No 618**

EAST SUFFOLK INTERNAL DRAINAGE BOARD

REYDON PUMPING STATION

East Suffolk Internal Drainage Board ('the Board') gives notice that it proposes to carry out works at Reydon Pumping Station (OS Grid Ref: TM 484 764), as follows:

Installation of additional submersible pump, connected to disused discharge pipeline, with electric controls in new control cabinet plus associated civil engineering works as required.

The works are being undertaken to improve the flood risk management service provided in the area and are scheduled to take place during winter 2012 – 13.

With reference to the above Statutory Instrument it should be noted that the Board considers that the improvement works are not likely to have significant effects upon the environment and does not intend to prepare an environmental statement in respect of them.

Any person wishing to make representation in relation to the environmental effects of the proposed works should do so, in writing, to the address specified below, within 28 days of the date of the publication of this notice.

A copy of the location plans and outline of the proposals is available for inspection at the address specified below.
