

## **POSITION: CO-OPTION OF BOARD MEMBER**

The Board has a total of 21 members, 10 of which are elected by occupiers of agricultural land who pay Drainage Rates directly to the Board for the services they receive (the elected members), and 11 members are appointed by the Borough Council of King's Lynn and West Norfolk, Fenland District Council and South Holland District Council to represent the extent of other interests in the Drainage District (the appointed members).

A rare opportunity now exists for an individual with appropriate knowledge and experience of Surface Water Drainage and Flood and Coastal Erosion Risk Management to join King's Lynn IDB as a co-opted Board member to fill a vacancy in the elected membership. The initial appointment will be until 31 October 2018 at which point you will need to stand for election, if you would like to continue as a Board member for a further 3 year period.

The Board's work is interesting and varied, full details of which can be found on our website: <https://www.wlma.org.uk/kings-lynn-idb/kings-lynn-idb/>.

The Board meets at least 6 times a year at its office in King's Lynn and you will be expected to attend these meetings in January, March, May, July, September and November. Meetings usually take place in the morning and last approximately 2 hours. You will be expected to have read the meeting papers in advance of the meetings and actively contribute to the decision making process at Board meetings. This represents a time commitment of about half a day every 2 months.

You will also have the opportunity of getting involved on any number of the Board's Committees, details of which are available on our website: <https://www.wlma.org.uk/kings-lynn-idb/board-members/>.

Board members do not receive a salary, but approved travelling expenses will be paid in accordance with the Board's [expenses policy](#).
