#### LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

# Please note that this summary applies to all relevant smaller authorities, including drainage boards and other smaller authorities.

#### The basic position

The Local Audit and Accountability Act 2014 (the Act) governs the work of auditors appointed to councils and other local public bodies. This summary explains the provisions contained in Sections 26 and 27 of the Act. The Act and the Accounts and Audit Regulations 2015 also cover the duties, responsibilities and rights of councils, other organisations and the public concerning the accounts being audited.

As a local elector, or an interested person, you have certain legal rights in respect of the accounting records of smaller authorities. As an interested person you can inspect accounting records and related documents. If you are a local government elector for the area to which the accounts relate you can also ask questions about the accounts and object to them. You do not have to pay directly for exercising your rights. However, any resulting costs incurred by the council form part of its running costs. Therefore, indirectly, local residents pay for the cost of you exercising your rights through their council tax.

#### The right to inspect the accounting records

Any interested person can inspect the accounting records, which includes but is not limited to local electors. You can inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records. You can copy all, or part, of these records or documents. Your inspection must be about the accounts, or relate to an item in the accounts. You cannot, for example, inspect or copy documents unrelated to the accounts, or that include personal information (Section 26 (6) – (10) of the Act explains what is meant by personal information). You cannot inspect information which is protected by commercial confidentiality. This is information which would prejudice commercial confidentiality if it was released to the public and there is not, set against this, a very strong reason in the public interest why it should nevertheless be disclosed.

When councils have finished preparing accounts for the financial year and approved them, they must publish them (including on the council's website). There must be a 30 working day period, called the 'period for the exercise of public rights', during which you can exercise your statutory right to inspect the accounting records. Councils must tell the public, including advertising this on their website, that the accounting records and related documents are available to inspect. By arrangement you will then have 30 working days to inspect and make copies of the accounting records. You may have to pay a copying charge. The 30 day period must include a common period of inspection during which all smaller authorities' accounting records are available to inspect. This will be 3-14 July 2017 for 2016/17 accounts. The advertisement must set out the dates of the period for the exercise of public rights, how you can communicate to the council that you wish to inspect the accounting records and related documents, the name and address of the auditor, and the relevant legislation that governs the inspection of accounts and objections.

#### The right to ask the auditor questions about the accounting records

You should first ask your council about the accounting records, since they hold all the details. If you are a local elector, your right to ask questions of the external auditor is enshrined in law. However, while the auditor will answer your questions where possible, they are not always obliged to do so. For example, the question might be better answered by another organisation, require investigation beyond the auditor's remit, or involve disproportionate cost (which is borne by the local taxpayer). Give your council the opportunity first to explain anything in the accounting records that you are unsure about. If you are not satisfied with the council's explanation, you can question the external auditor about the accounting records.

The law limits the time available for you formally to ask questions. This must be done in the period for the exercise of public rights, so let the external auditor know your concern as soon as possible. The advertisement or notice that tells you the accounting records are available to inspect will also give the period for the exercise of public rights during which you may ask the auditor questions, which here means formally asking questions under the Act. You can ask someone to represent you when asking the external auditor questions.

000000

Before you ask the external auditor any questions, inspect the accounting records fully, so you know what they contain. Please remember that you cannot formally ask questions, under the Act, after the end of the period for the exercise of public rights. You may ask your council other questions about their accounts for any year, at any time. But these are not questions under the Act.

You can ask the external auditor questions about an item in the accounting records for the financial year being audited. However, your right to ask the external auditor questions is limited. The external auditor can only answer 'what' questions, not 'why' questions. The external auditor cannot answer questions about the council's policies, finances, procedures or anything else unless it is directly relevant to an item in the accounting records. Remember that your questions must always be about facts, not opinions. To avoid misunderstanding, we recommend that you always put your questions in writing.

#### The right to make objections at audit

You have inspected the accounting records and asked your questions of the smaller authority. Now you may wish to object to the accounts on the basis that an item in them is in your view unlawful or there are matters of wider concern arising from the Council's finances. A local government elector can ask the external auditor to apply to the High Court for a declaration that an item of account is unlawful, or to issue a report on matters which are in the public interest. You must tell the external auditor which specific item in the accounts you object to and why you think the item is unlawful, or why you think that a public interest report should be made about it. You must provide the external auditor with the evidence you have to support your objection. Disagreeing with income or spending does not make it unlawful. To object to the council's accounts you must write to the external auditor stating you want to make an objection, including the information and evidence below and you must send a copy to the council. The notice must include:

- confirmation that you are an elector in the council's area;
- why you are objecting to the accounts and the facts on which you rely;
- · details of any item in the accounts that you think is unlawful; and
- details of any matter you think the external auditor should make a public interest report about.

Other than it must be in writing, there is no set format for objecting. You can only ask the external auditor to act within the powers available under the Local Audit and Accountability Act 2014.

#### A final word

You may not use this 'right to object' to make a personal complaint or claim against your council. You should take such complaints to your local Citizens' Advice Bureau, local Law Centre or to your solicitor. Councils, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, one of a series of factors the auditor must take into account is the cost that will be involved, they will only continue with the objection if it is in the public interest to do so. They may also decide not to consider an objection if they think that it is frivolous or vexatious, or if it repeats an objection already considered. If you appeal to the courts against an auditor's decision not to apply to the courts for a declaration that an item of account is unlawful, you will have to pay for the action yourself.

A&A 2015 Regulation 15(2)(a)(i)(aa)

# Local Councils, Internal Drainage Boards and other Smaller Authorities in England Annual return for the year ended 31 March 2017

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'\* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

#### The annual return on pages 2 to 4 is made up of three sections:

 Sections 1 and 2 are completed by the smaller authority. Smaller authorities must approve Section 1 before Section 2.

Section 3 is completed by the external auditor.

In addition, the internal audit report is completed by the smaller authority's internal audit provider.

# Each smaller authority must approve Section 1 and Section 2 in order and in accordance with the requirements of the Accounts and Audit Regulations 2015.

#### Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2017, an explanation of any significant year on year variances in the accounting statements, your notification of the commencement date of the period for the exercise of public rights and any additional information requested, to your external auditor by the due date.

# Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication and public display of Sections 1, 2 and 3. You must publish and display the annual return, including the external auditor's report, by 30 September 2017.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk or from www.ada.org.uk

Rebecca Plane PKF Littlejohn LLP 1 Westferry Circus Canary Wharf London E14 4HD

2 June 2017

Dear Rebecca

#### 2016/17 Annual Return Pevensey and Cuckmere Water Level Management Board

The Board was constituted on 1 October 2016 from an amalgamation of 2 Internal Drainage Districts (IDDs) formerly administered by the Environment Agency (EA): the Pevensey Levels IDD and River Cuckmere IDD (please see the attached Statutory Instrument 2016 No.854). The 2016/17 Annual Return for the Pevensey and Cuckmere Water Level Management Board therefore only covers the period from 1 October 2016 to 31 March 2017 (the reporting period) and has no comparative figures. There are also other matters that I believe you should be aware of:

During the reporting period the EA have carried out maintenance work for and on behalf of the Board. They have also continued to collect the drainage rates due that were levied by the 2 former IDDs prior to 30 September 2016 and have collected the second half of the special levies due for 2016/17 from the constituent billing authorities: Eastbourne Borough Council, Hastings Borough Council, Rother District Council and Wealden District Council. The EA has paid the Board highland water contributions of £63k due to the 2 former IDDs on 28 October 2016 (Pevensey Levels IDD: £60k, River Cuckmere IDD: £3k), which has been shown as Income in the Board's Accounts and in Box 3 of the Annual Return.

The EA intend to nett-off at some stage the cost of carrying out this maintenance work and the second half of their precept charges, against the closing balances of the 2 former IDDs as at 30 September 2016 and the special levies/drainage rates income they have received since then, which would appear to result in a net cash transfer due to the Board of circa £30,931 (£93,931 less the £63,000 highland water contributions we've already received - please see the attached spreadsheet, which we received from the EA on 13 April 2017). However Peter Carver, the Clerk to the 2 former IDDs has advised that this spreadsheet is only indicative and that the drainage rates collected shown in this spreadsheet should not be relied upon.

Whilst being administratively convenient for the EA, this is most unusual and contrary to standard business practice: we were expecting to receive a cash transfer that equated to the closing balances of the 2 former IDDs as at 30 September 2016 shortly thereafter and to receive all remittances for the cash the EA had subsequently

Mr W Gower (Chairman) Mr C Wadman (Vice-Chairman)

Mr P J Camamile (Clerk and Chief Executive)

received and invoices for the maintenance work they had done on our behalf etc. during the reporting period, in accordance with sections 7 and 8 of the Board's Constitution. This did not happen. Nor has the Board been provided with a set of Accounts for the 2 former IDDs for the period 01 April 2016 to 30 September 2016, as required by section 10 of the Board's Constitution.

The Board has not therefore attempted to account for any of these transactions during the reporting period that it has had no control over and no supporting information for and also because of the current level of uncertainty which still exists around the EAs indicative figures shown in the aforementioned spreadsheet: we have not received any invoices from the EA for carrying out the maintenance work, we have not received any notice of or the official statement required to support the EAs 6-monthly precept charge, we have not received any copy remittances to support the special levies and drainage rates income that has been collected by the EA during the reporting period. Nor have we received confirmation from the EA of what the net cash transfer will actually be as at 30 September 2016 or 31 March 2017.

We therefore intend to account for the sum that is eventually transferred to us from the EA as Income in the financial year within which it is received (hopefully 2017/18). This figure will then be recorded in Box 3 on the Annual Return. Having previously discussed this with you, the Accounts and Annual Return for 2016/17 have been prepared and approved by the Board on that basis.

If you require any further information about this, please do not hesitate in making contact.

Yours sincerely

P Camamile

P J CAMAMILE CLERK AND CHIEF EXECUTIVE

## LAND DRAINAGE, ENGLAND

## The Pevensey and Cuckmere Water Level Management Board Order 2016

Made	-	-	-	-	22nd August 2016
Coming ir	ito fa	orce	-	-	1st October 2016

Under section 3(1)(a) of the Land Drainage Act 1991 ("the 1991 Act")(**a**), the Environment Agency has prepared a Scheme making provision for the matters specified in section 3(2)(d),(e), (f),(g) and (i)(**b**) and has submitted the Scheme to the Secretary of State for confirmation.

The Secretary of State has published a notice of intent to make this Order confirming the Scheme in accordance with paragraph 2(1) of Schedule 3 to the 1991 Act and has sent this notice to the relevant local authorities and other bodies specified in paragraph 2(2) of that Schedule.

No objection has been made to the draft Order.

Accordingly, the Secretary of State makes this Order in exercise of the powers conferred by section 3(5) and (7) of the 1991 Act and now vested in the Secretary of State(**c**).

#### Citation, commencement and interpretation

**1.**—(1) This Order may be cited as the Pevensey and Cuckmere Water Level Management Board Order 2016 and comes into force on 1st October 2016.

(2) In this Order, "the Agency" means the Environment Agency.

#### **Confirmation of the Scheme with modifications**

**2.**—(1) The Scheme submitted by the Agency is confirmed with modifications.

(2) The Scheme as modified by the Secretary of State is set out in the Schedule to this Order.

#### Secretary of State's expenses

**3.** The expenses of the Secretary of State in connection with the making and confirming of this Order must be borne by the Agency.

<sup>(</sup>a) 1991 c. 59; section 3(1) was amended by S.I. 2013/755 (W. 90). The definitions of "the appropriate supervisory body" and "the relevant Minister" are in section 72(1).

<sup>(</sup>**b**) Section 3(2) was amended by S.I. 2013/755 (W. 90).

<sup>(</sup>c) The functions of the Ministry of Agriculture, Fisheries and Food were transferred to the Secretary of State by virtue of article 2(2) of the Ministry of Agriculture, Fisheries and Food (Dissolution) Order 2002 (S.I. 2002/794).

Signed by authority of the Secretary of State

# Section 3 - External auditor report and certificate

In respect of:

Enter name of smaller authority here:

## 1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

## 2. 2016/17 External auditor report

(Except for the matters reported below)\* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met. (\*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

(continue on a separate sheet if required)

# 3. 2016/17 External auditor certificate

We certify/do not certify\* that we have completed our review of the annual return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2017.

* We do not certify completion because:

# Annual internal audit report 2016/17 to

Enter name of smaller authority here:

PEVENSEY AND CUCKMERG WATERIEVEL MANAGEMENT BOARD

This smaller authority's internal audit, acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year ended 31 March 2017.

Internal audit has been carried out in accordance with this smaller authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this smaller authority.

# Guidance notes on completing the 2016/17 annual return

- You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide\* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
- 2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unexplained or unapproved amendments may be returned and incur additional costs.
- 3. Smaller authorities must approve Section 1 on page 2 before approving Section 2 on page 3.
- 4. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness and accuracy before sending it to the external auditor.
- Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
- 6. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (Section 2 on page 3). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide\*.
- 7. Explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a complete numerical and narrative analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide\* to assist you.
- 8. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 9. You must inform the external auditor of the date set for the commencement of the period for the exercise of public rights.
- 10. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2016) equals the balance brought forward in the current year (Box 1 of 2017).
